

MONEESH SHIVAKUMAR S

Email Id: smoneesh.mohana@gmail.com.

Ph.No: 6369765675.

Address: Vaniyambadi, Vellore, Tamil Nadu.

LinkedIn: www.linkedin.com/in/s-moneesh-shivakumar-90b8682b9.

Career Objective

Aspiring Computer Science and Engineering student with strong foundations in Python, C programming, web development, and problem-solving. Experienced through internships in Full Stack Development and MERN Stack technologies, along with hands-on exposure to AI-based projects. Seeking opportunities to apply technical skills, contribute to innovative projects, and grow within a collaborative professional environment. Passionate about developing practical solutions that create measurable business value.

Technical Skills

- Programming Languages: Python, C, Java.
- Web Technologies: HTML, CSS, JavaScript, MERN Stack
- Full Stack Development
- AI & Data Analytics Concepts
- Database Fundamentals(SQL)

Education

Bachelor of Engineering (Computer Science and Engineering)

V.S.B College of Engineering Technical Campus (CGPA: 7.9)

Higher Secondary Education (12th Standard) Sigaram Matric Higher

Secondary School (12th Mark: 485, Percentage: 80)

Internship

GRAPHNIX- IOT Intern Learned various concepts based on the automation devices and how to deploy them in real world technical environments.

8QUEENS SOFTWARE – Full Stack Development Intern Worked on full stack development concepts, application components, debugging, testing, and project delivery.

VIRUZVERSE SOLUTION – MERN Stack Intern

Worked on MERN Stack web applications, database integration, testing, and feature development.

Projects:

- **Customer Churn Analysis project:** Implemented this project to analyse the unsubscribing of the customers from a service based platform.

- **Employee Attrition Detection project:** Concluded this project as it detects various employee workflow throughout the year in an organization.
- **Cocobot:** Demonstrated this project in an agricultural basis as it cuts tender coconuts through a AI trained drone in which of it's framework materials are built through hexacopter materials.

Certifications:

- Big data computing certificate from NPTEL.
- Data Analytics certificate from Future Interns.
- AI analytics certificate from Novitech.
- Database management certificate from Oracle.
